Mr. H. D. Neeley
OSD Records Administrator
OSD/WHS Declassification Branch
Room 1D517, The Pentagon
Washington, DC 20301

Dear Mr. Neeley:

On 5 December we received from you, for CIA review, a total of 26 documents that a group of Department of State historians had selected for their Foreign Relations series. Although the three documents numbered 1 and 2 on your manifest include a draft letter from the Secretary of Defense to the Director of Central Intelligence, all three appear to be DOD-originated, so that CIA review and approval for release isn't needed. We appreciate your caution in letting us have a look at them, and I'm returning them in the hope that you can now send them on directly to State's historians.

For the remaining 24 documents, we'll let you know the decisions from the originating components here once they've reviewed them.

With thanks and all good wishes,

Yours sincerely,

/s/ J. Kenneth McDonald
